SUMMARY

Bachelor of Computer Applications (BCA) graduate with hands-on experience in web development through internships and academic projects. Skilled in Python, Java, C, C++, HTML, CSS, JavaScript, SQL, and MySQL, with experience developing responsive and user-friendly websites. Interested in Web Development, Software Development, Data Analysis, and IT Support. Strong analytical, problem-solving, communication, and teamwork skills with a willingness to learn and adapt to new technologies.

WORK EXPERIENCE

Pragathi Career Guidance — Intern

Dec 2025 – Jan 2026

Developed responsive webpages using HTML and CSS, improved website user interface and navigation, and assisted in implementing website requirements and organizing web content.

Sapience Edu Connect — Intern

Feb 2026 – Mar 2026

Designed and developed responsive webpages using HTML and CSS. Assisted with website testing, debugging, and performance improvements while improving webpage structure, usability, and responsiveness across different screen sizes.

PROJECTS

Pragathi Career Guidance Website

Technologies: HTML, CSS, JavaScript

Designed and developed a responsive educational website for a PSC coaching institution. Implemented Home, About, Courses, Contact, and Gallery pages with a focus on responsive layouts, user-friendly navigation, and clear presentation of course information.

GenZ — Online Clothing Store

Technologies: HTML, CSS, JavaScript, Git, GitHub

Developed a responsive e-commerce website for browsing clothing products and categories. Implemented a product-focused interface for desktop and mobile users and applied responsive web design principles to improve usability across different screen sizes.
